### **Instructions to the Students for giving II Term Tests on 'April' Platform:**

1. The school is conducting II Term Tests for Class XII on online platform.
2. These tests will **not be taken again** whenever the school reopens.
3. Every student can take the **online test only once**.
4. Each test will be **subjective** and duration of the test will be 90 minutes (1 ½ hours). Each test will be of 20 marks.
5. Students who have not deposited school fee are requested to deposit your First Fee instalment as soon as possible.
6. **Steps for giving II Term Exams on April are given below:**
  - i. Login into April and choose the subject according to your time table.
  - ii. **Scroll your screen to the right and click on Assignment.**
  - iii. **Click on 'View' and then click on 'Download the File'. You will see the question paper once the file is downloaded.**
  - iv. Write the answers in your copy & click photos of your answer sheets (write your name & page numbers on all pages).
  - v. **Once you have completed your paper, you would then need to upload your answer sheets. You may upload the pictures directly (jpg format) or convert them into 'pdf' & then upload the files. Then CLICK on 'Submit Assignment'.**
  - vi. You can upload upto maximum 5 files and size of any file must not be more than 5 mb.
  - vii. **In case of a late login, you will get lesser time.**
  - viii. Strictly follow the time slot given in your time table. Your test will only be available for 90 minutes.
  - ix. **You must upload the files before 2:00 pm else you will not be able to submit your test.**
  - x. **Please note that demo tests are being conducted in all subjects. You are expected to give all the demo tests.**
